

Streamlined Enrollment & Data Capture

Fast & Accurate Enrollment

Reduce the time it takes to enroll users into any system with the SmartReg solution from BadgePass™. Simply scan a driver's license and watch as the system automatically populates any enrollment or registration screen in just seconds. Save both time and money by minimizing manual data entry errors and reducing the time it takes to enroll customer information.

Key SmartReg Features

- Driver's License Scanning
- Magstripe & PDF417 compatibility
- Customizable special messages
- Automatic screen recognition
- Application independent
- Hot key output

Works with other BadgePass™ Modules

- Identity Manager
- Visitor Manager
- Access Manager
- Time Manager

"SmartReg has helped us to significantly speed up our player registration process. Plus, it allows us to capture accurate data for every guest."

- Casino Marketing Director

Identification Systems Group

The ISG is a nationwide network of local experts in identification, security, tracking, and card personalization technologies, providing high quality, cost-effective solutions backed by local support and the strength of our Professional Services Certification program. Each member company works together to provide seamless support and collaboration in the identification and issuance industries across the USA and Canada.
