

Patient Identification Wristbands & Labels

Color-coded Patient Identification Wristband & Bedside Barcode Label Sets

Save time by printing patient ID wristband and labels on demand in one easy step. The ISG™ ContourBand Plus wristband and labels solution is the convenient answer to positive identification of patients and specimens, using barcode technology.

- Compatible with most direct thermal printers
- Reduces shelf space footprint for product inventory
- Each sheet has an adult wristband & eight labels (2-5/8" L x 1" W)
- Available with STAT labels (shown below)
- Contour shaped wristbands comfortably conform to the patient's wrist
- Easy-to-use, tamper-evident adhesive closure
- Unique surface provides seamless printing, high quality imprints, and resistance to water, soap, and hand sanitizers
- Large information area for printing text, linear, and 2D barcodes, photo ID, and graphics
- Ensures crisp, clear bar codes for easy scannability
- Latex-free, Phthalate-free
- Meets The Joint Commission's National Patient Safety Goals for improving the accuracy of patient identification and improving the effectiveness of communication among caregivers
- Complies with the guidelines of HIPAA to protect patient privacy and AHA to minimize the chance of lost or transferred data
- **NEW!** Mobile ContourBand® Plus thermal wristbands add versatility and equip the mobile healthcare workforce with the ability to print both a wristband and label in a single step. Compatible with the ISG™ S400 Mobile Printer.
